Enrollment Application:

NYSLRS provides direct deposit through the National Automated Clearing House Association (NACHA) Network which facilitates batch payment processing within the U.S. to domestic U.S. financial institutions. We do not transfer funds into international accounts across national borders.

NYSLRS will not make a direct deposit of a monthly pension payment into a trust account or any trust-like entity (i.e. Payable on Death Account). Section 110 of the Retirement and Social Security Law provides that the right of a person to a pension shall be unassignable. A trust, living or otherwise, is a separate legal entity that holds property or assets. Accordingly, the direct deposit of your pension benefit into a trust account would constitute an impermissible assignment under the law.

NYSLRS will not make direct deposit of a monthly pension payment to a pre-paid debit card. Since there is no personal bank account created and personally held by you when using a prepaid debit card, this too would be considered an impermissible assignment of benefits, not allowed by law.

The Electronic Funds Transfer Direct Deposit Enrollment Application must be signed by you and the joint account holder if any. Review Section 1 and make any necessary corrections and complete Section 2. If you are requesting direct deposit to a "Checking Account", attach a voided check to Section 3. If a voided check is not attached to Section 3, or if your checks do not have your name imprinted on them, then Section 3 must be completed by your financial institution. If requesting direct deposit to a "Savings Account", Section 3 must be completed by your financial institution. Return the application to NYSLRS.

Pensioner and Joint Account Holder Authorization for Recovery of Funds Deposited in Error:

By signing this Electronic Funds Transfer Direct Deposit Enrollment Application, both for yourself and your estate, and each joint account holder, if any, you consent to allow NYSLRS, through the designated financial institution, to debit your account in order to recover any NYSLRS benefits to which you were not entitled. This means of recovery shall not prevent NYSLRS from utilizing any other lawful means to retrieve NYSLRS benefit payments to which you were not entitled.

Changing Financial Institutions and/or Accounts:

You may change financial institutions and/or accounts by completing a new enrollment application. The new enrollment application, when processed, will cancel the enrollment at the previous financial institution or your prior account. You should, however, be aware that changing financial institutions and/or account could take up to **30 days to complete**. We recommend that the old account not be closed until the first deposit is made to your new account or financial institution.

Cancellation of Electronic Funds Transfer Direct Deposit:

To cancel this request, written notification from you must be received by NYSLRS at least 30 days prior to the next payment date. The financial institution may terminate the electronic funds transfer direct deposit agreement with a written notice **30 days** in advance of the cancellation date. The financial institution cannot cancel the authorization without notification to both you and NYSLRS.

The New York State and Local Retirement System reserves the right to discontinue or cancel this electronic funds transfer direct deposit agreement at any time. Written notice will be provided to you.
